

Manish Sharma

Manish Sharma is Vice President of NComputing's Asia-Pacific region. Based in Singapore, Manish brings 18 years of experience spanning start-ups, growth-stage companies and F100 corporations. Prior to NComputing, Manish led the South Asia sales team for Wyse Technology, a leader in Thin Client computers. He also held positions of Managing Director of Domain Manufacturing's APAC operations and Director of Sales, SEA for Brooks Automation. In the early years of his career, he took responsible positions at HCL-Hewlett Packard and Sony Corporation.
